Extras

Walltopia offers a selection of pieces, connectors and equipment to simplify the operation of the Ninja Course.

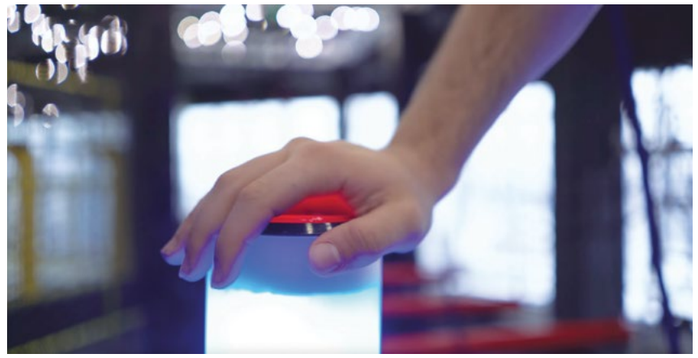
Colors

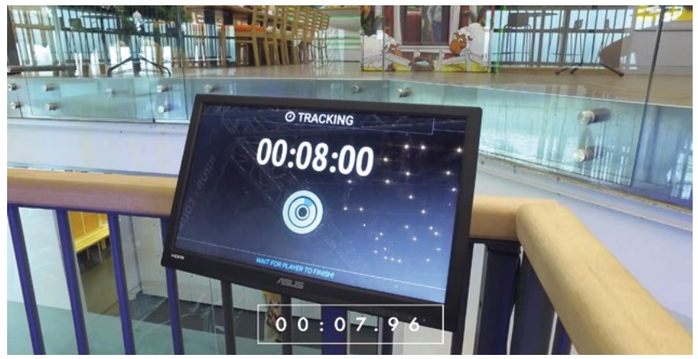
The course's obstacles, column padding and airbags are available in any desired color of the RAL classic palette and can also be branded with a logo or a personalized message.

Printing on padding

The column padding also comes in the RAL color palette. We can print your logo or a personalized message on it. See below a sample project with customization options in effect.

ADD-ONS





Racing Lines

- Turn the experience into a competition.
- Time & rank visitors' speed.
- A great incentive for group visits and increased repeatability.
- Contains a starting sensor, stop button and a TV screen that displays the leaderboard
- Optional smoke machine and sound system

GAMIFIER

- Gamify the experience through an interactive platform & RFID bracelet.
- Visitors collect points and compete to get rewards.
- Compiles and analyzes data that empowers operators.
- Customizable and retrofittable to your facility.

WALLTOPIA

OVER 1800 PROJECTS
IN 78 COUNTRIES ON 6 CONTINENTS

Founded in Bulgaria in 1998, Walltopia is a world leader in the Climbing and Adventure & Leisure industries. The company started out with the purpose of designing and manufacturing the most advanced climbing facilities in the world.

Our passion for science, technology and our obsession with excellence and safety, made us a leader and top expert in the Climbing and Active Entertainment industries.

We pride ourself with our highly complex projects that always deliver expected results – starting with the design, moving on to the installation and finally – the certification.

Today we have the largest portfolio of classic and novel attractions that combine fun and entertainment with healthy doses of adrenaline for people of all ages. With sales offices in the USA, Canada, China, UAE, Asia Pacific, a Head office in Sofia, Bulgaria and four production plants employing more than 600 people, to this day, we have produced over 1800 projects in 78 countries and on 6 continents.

Our products are installed across adventure parks, amusement parks, shopping malls, gyms, recreational areas, ski resorts, schools & universities, hotels and more.
